SAFETY DEMONSTRATION: GETTING TO KNOW THE FELIX HOTEL

Welcome to Felix Hotel, a sophisticated, savvy take on what an airport hotel should be, but has never been before.

The 150-room Felix, just a short runway from Sydney Airport, is a tip of the hat to the golden era of air travel with a light coating of 'Catch Me If You Can' cool. Felix is conveniently located 15 minutes from the city by train and a quick Uber from the international terminal or walk from the domestic terminal.

From the locally sourced art filled walls to it's super-stylish Penthouse level where you'll want to spend your evening (after you've taken in a movie at the rooftop cinema) and its cool yet comfortable bedrooms, Felix is also something no airport hotel has ever been before - fun. Felix offers two conference rooms, (Airbus and Boeing) which can be merged (talk about a monopoly) for hire.

Please contact at him@felix.com.au to arrange a pre-flight inspection.
